Ready for growth & exploration?

For the first two weeks of the semester, CAPTains got to know their neighbours, faculty friends, and house mates. The following two weeks will delve further into life in college, through the exposure sessions available across various committees- ACE, Social Innovation, Sports, Clubsocs and more.

To those who already have their eye on one (or more!) committees, mass recruitment for CSC has begun, along with recruitment for the Open Day Project Director- head down to the links below to sign up!
